Independent Auditor's Report

To the Board of Directors of Canadian Mental Health Association

We have audited the accompanying financial statements of Canadian Mental Health Association - Vernon and District Branch, which comprise the statement of financial position as at March 31, 2016, and the statements of operations, changes in net assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of Canadian Mental Health Association - Vernon and District Branch as at March 31, 2016, and the results of its operations, changes in net assets and cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Report on Other Legal and Regulatory Requirements

As required by the Society Act (British Columbia), we report that, in our opinion, the accounting principles in Canadian accounting standards for not-for-profit organizations have been applied on a basis consistent with that of the preceding year.

Other Matter

The financial statements of Canadian Mental Health Association - Vernon and District Branch for the year ended March 31, 2015 were audited by another auditor who expressed an unmodified opinion on those financial statements on September 16, 2015.

**Canadian Mental Health Association
Vernon and District Branch
Notes to Financial Statements**

March 31, 2016

1. Significant Accounting Policies

| | |
|---|--|
| Nature and Purpose of Organization | <p>The Canadian Mental Health Association - Vernon and District Branch (the "Association") is a branch of the Canadian Mental Health Association and was incorporated under the Society Act of British Columbia. The Association's purpose is to provide services that promote, maintain, and enhance the mental health of individuals in Vernon, British Columbia and the surrounding area.</p> <p>The Association is a registered charity and, as such, is exempt from income tax and may issue income tax receipts to donors.</p> |
| Basis of Accounting | <p>The financial statements have been prepared using Canadian accounting standards for not-for-profit organizations.</p> |
| Revenue Recognition | <p>The Association follows the deferral method of accounting for contributions.</p> <p>Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.</p> <p>Restricted net investment income is recognized as revenue in the year in which the related expenses are incurred. Unrestricted net investment income is recognized as revenue when earned.</p> <p>Revenue from tenant rent is recognized when the cash is collected or when collection is reasonably assured.</p> <p>Store sales, workshop revenues, fundraising and other miscellaneous revenue are recognized in the respective programs when there is persuasive evidence of an arrangement, the services or goods have been provided and cash is collected or reasonably collectible.</p> |
| Use of Estimates | <p>The preparation of financial statements in accordance with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from management's best estimates as additional information becomes available.</p> |
| Cash and Cash Equivalents | <p>Cash and cash equivalents consist of cash on hand, bank balances and investments in money market funds.</p> |

**Canadian Mental Health Association
Vernon and District Branch
Notes to Financial Statements**

March 31, 2016

1. Significant Accounting Policies (continued)

Property, Plant and Equipment

Purchased property, plant and equipment are stated at cost less accumulated amortization. Contributed tangible capital assets are recorded at fair value at the date of contribution and are amortized, unless fair value is not determinable in which case contributed tangible capital assets are recorded at nominal value at the date of contribution. Expenditures for repairs and maintenance are expensed as incurred. Betterments that extend the useful life of the tangible capital asset are capitalized.

Amortization based on the estimated useful life of the asset is calculated as follows:

| | Method | Rate |
|-------------------------|---------------|-------------|
| Buildings | Straight-line | 2.5% |
| Vehicles | Straight-line | 15% |
| Computer Equipment | Straight-line | 30% |
| Furniture and equipment | Straight-line | 10% |
| Leasehold improvements | Straight-line | 17% |

Assets under Capital Lease

Leases are classified as capital or operating leases. A lease that transfers substantially all of the benefits and risks incidental to the ownership of property is classified as a capital lease. At the inception of a capital lease, an asset and an obligation are recorded at an amount equal to the lesser of the present value of the minimum lease payments and the property's fair value at the beginning of the lease.

Assets recorded under capital leases are amortized on a straight-line basis over the term of the lease, which is the estimated useful life of the assets.

| | Method | Rate |
|-----------|---------------|-------------|
| Buildings | Straight-line | 30-60 years |

All other leases are accounted for as operating leases wherein rental payments are expensed on a straight line basis.

**Canadian Mental Health Association
Vernon and District Branch
Notes to Financial Statements**

March 31, 2016

1. Significant Accounting Policies (continued)

| | |
|------------------------------|---|
| Financial Instruments | <p>Financial Instruments are recorded at fair value at initial recognition.</p> <p>In subsequent periods, equities traded in an active market and derivatives are reported at fair value, with any change in fair value reported in income. All other financial instruments are reported at cost or amortized cost less impairment. Transaction costs on the acquisition, sale or issue of financial instruments are expensed for those items measured at fair value and charged to the financial instrument for those measured at amortized cost.</p> <p>Financial assets are tested for impairment when indicators of impairment exist. When a significant change in the expected timing or amount of the future cash flows of the financial asset is identified, the carrying amount of the financial asset is reduced and the amount of the write-down is recognized in net income. A previously recognized impairment loss may be reversed to the extent of the improvement, provided it is not greater than the amount that would have been reported at the date of the reversal had the impairment not been recognized previously, and the amount of the reversal is recognized in net income.</p> |
| Contributed Materials | <p>Due to the difficulty in determining the fair value of materials contributed to the organization they are not recognized in the financial statements.</p> |
| Contributed Services | <p>Volunteers contribute many hours per year to assist the Association in carrying out its activities. Due to the difficulty of determining their fair value, contributed services are not recognized in the financial statements.</p> |
| Comparative Figures | <p>Certain of the comparatives figures have been restated to conform to the current year financial statement presentation.</p> |

**Canadian Mental Health Association
Vernon and District Branch
Notes to Financial Statements**

March 31, 2016

2. Restricted Cash

Restricted cash consists of cash and investments in money market funds which are restricted in their use and can only be used for specified purposes. They consist of the following balances:

| | <u>2016</u> | <u>2015</u> |
|--------------------|-------------------|-------------------|
| Cash | \$ 834,448 | \$ 787,167 |
| Money market funds | 120,364 | 119,327 |
| | <u>\$ 954,812</u> | <u>\$ 906,494</u> |

Restricted cash is allocated for the following purposes:

| | <u>2016</u> | <u>2015</u> |
|--|-------------------|-------------------|
| Replacement reserve funds (Schedule 1) | \$ 473,761 | \$ 470,890 |
| Internally restricted funds (Note 11) | 317,765 | 303,039 |
| Gaming | 103,697 | 86,314 |
| Damage deposits | 59,589 | 46,251 |
| | <u>\$ 954,812</u> | <u>\$ 906,494</u> |

3. Prepaid Rent

Prepaid rent represents payments made in advance for the lease of the land portions of the leased properties as detailed in Note 5. Prepayment on the leased land is expensed over the lease term on a straight-line basis.

| | <u>2016</u> | <u>2015</u> |
|-----------|---------------------|---------------------|
| Current | \$ 31,432 | \$ 31,432 |
| Long term | 1,056,430 | 1,087,862 |
| | <u>\$ 1,087,862</u> | <u>\$ 1,119,294</u> |

Notes to Financial Statements**

March 31, 2016

9. Deferred Contributions for Future Expenses

Deferred contributions for future expenses represent the unamortized portion restricted contributions used for the financing of the prepaid rent (Note 3). The changes in the deferred contributions for future expenses balance for the period are as follows:

| | 2016 | 2015 |
|---|------------|------------|
| Beginning balance | \$ 153,191 | \$ 160,154 |
| Less: Amounts amortized to revenue | (6,963) | (6,963) |
| Ending balance | \$ 146,228 | \$ 153,191 |
| | | |
| Prepaid rent contributions recognized as revenue in the year | \$ 6,963 | \$ 6,963 |
| Capital contributions recognized as revenue in the year (Note 10) | 58,347 | 48,687 |
| Ending balance | \$ 65,310 | \$ 55,650 |

10. Deferred Capital Contributions

Deferred capital contributions represent the unamortized portion of contributed capital assets and restricted contributions used to purchase capital assets. The changes in the deferred capital contributions balance for the period are as follows:

| | 2016 | 2015 |
|--|--------------|--------------|
| Beginning balance | \$ 1,146,926 | \$ 1,081,979 |
| Add: restricted contributions related to contributed equipment | 297,124 | 113,634 |
| Less: Amounts amortized to revenue | (58,347) | (48,687) |
| Ending balance | \$ 1,385,703 | \$ 1,146,926 |

11. Internally Restricted Funds

The Association has reserved \$317,765 (2015 - \$303,040) for purposes of funding future purchases or replacement of equipment, furniture and other expenditures deemed necessary by management.

12. Financial Instruments

Credit risk

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The Association is exposed to credit risk resulting from the possibility that a customer or counterparty to a financial instrument defaults on their financial obligations; if there is a concentration of transactions carried out with the same counterparty; or of financial obligations which have similar economic characteristics such that they could be similarly affected by changes in economic conditions. The Association's financial instruments that are exposed to concentrations of credit risk relate primarily to its accounts and contributions receivable. The majority of the Association's receivables are from government sources and the Association works to ensure it meets all eligibility criteria in order to qualify to receive the funding.

Liquidity risk

Liquidity risk is the risk that the Association will encounter difficulty in meeting its obligations associated with financial liabilities. Liquidity risk includes the risk that, as a result of operational liquidity requirements, the Association will not have sufficient funds to settle a transaction on the due date; will be forced to sell financial assets at a value, which is less than what they are worth; or may be unable to settle or recover a financial asset. The Association is exposed to this risk mainly in respect of its accounts payable, short term debt and long term debt.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Association is exposed to interest rate risk on its variable interest rate financial instruments. The Association mitigates interest rate risk on investments by diversifying the durations of the fixed-income investments that are held at a given time.

13. Employee Pension Plan

The Association and its employees contribute to the Municipal Pension Plan (the "Plan"), a jointly trustee pension plan. The board of trustees, representing plan members and employers, is responsible for administering the Plan, including investment of the assets and administration of benefits. The Plan is a multi-employer defined benefit pension plan. Basic pension benefits provided are based on a formula. As at December 31, 2015, the Plan has about 189,000 active members and approximately 85,000 retired members. Active members include approximately 37,000 contributors from local government.

The most recent actuarial valuation as at December 31, 2012, indicated a \$1,370 million funding deficit for basic pension benefits. The next valuation will be December 31, 2015, with results available in 2016.

Employers participating in the plan record their pension expense as the amount of employer contributions made during the fiscal year (defined contribution pension plan accounting). This is because the plan records accrued liabilities and accrued assets for the plan in aggregate, resulting in no consistent and reliable basis for allocating the obligation, assets and cost to individual employers participating in the plan.

The Association paid \$142,430 (2015 - \$125,257) for employer contributions to the Plan in fiscal 2016.

Schedule 1 - Statement of Changes in Replacement Reserve Fund**

Under the terms of the operating agreements with BC Housing, the Replacement Reserve Funds are to be credited by the budget provision per annum plus interest earned. These funds along with accumulated interest must be held in a separate bank or investment savings accounts and can only hold instruments insured by the Canadian Deposit Insurance Corporation, the Credit Union Deposit Insurance Corporation, guaranteed by a Canadian government or in other investment instruments as agreed upon by BC Housing. The funds are to be used to replace major items that periodically wear out to ensure the building continues to be functional over its useful life.
