ORGANIZATION OVERVIEW

The Canadian Mental Health Association (CMHA) Vernon & District Branch is a non-profit organization focused on promoting mental wellness in the community of Vernon and surrounding areas in the North Okanagan and is part of a provincial and national federation. We believe in empowering individuals, groups, and communities in self-determination to enhance their mental health. CMHA facilitates access to the resources people require to improve mental health and community integration, build resilience, and support recovery from mental illness through building capacity, influencing public policy, providing services and support, and developing resources. We are committed to providing an environment free from prejudice, discrimination, and harassment. We strive to reflect the entire community in our volunteers and staff and promote equal access to our services.

JOB SUMMARY

The Residential Support Worker works as a member of an integrated team to provide structured support services to residents. This includes monitoring residents in accordance with established treatment plans and/or care plans, observing residents' behaviours and symptoms, documenting observations in accordance with standard procedures, providing verbal reports on changes in residents' appearance, behaviour, and/or health, as well as providing support to clients in the development and maintenance of life skills. That also includes demonstrating and modelling appropriate behaviours to the residents and providing support in problem solving and decision making. This includes assisting residents with activities of daily living and participation in activities to support skill development.

DUTIES AND RESPONSIBILITIES

- Provides feedback and input regarding client's needs, performance, and progress to Residential Team Lead
- Perform duties such as reporting observations of client function, mental health status, needs, and progress as well as the individual's preferences, level of acceptance/resistance to services and supports
- Assist clients in orientation to the residential facility and the surrounding community
- In accordance with established care plans, assist clients with the development of life skills such as maintaining personal hygiene, housekeeping, meal planning/preparation,
